Online Pricing for CD&L Classroom Curriculum

We are very excited to provide the online platform for the Character Development & Leadership Program. The online version is intended for schools that have access to a 1:1 laptop/Ipad program. Students will access and complete all of their lesson plans online. Teachers will no longer need manuals and students will no longer need textbooks.

Ordering the online curriculum is as easy as 1, 2, 3.

1. **School License Fee:** Each school pays the first-year licensing fee of \$1,500. In subsequent years, schools pay an annual renewal fee of \$200. This includes a 90 minute pre-recorded virtual training in our member section on our website.
2. **Per Student Cost:** Tell us how many students you expect to receive instruction on the CD&L classroom curriculum. Based on how many students will access the curriculum, schools will pay between \$5 & \$10 per student.
3. **Training:** We provide a 90 pre-recorded virtual training with the cost of the curriculum. However, if you would prefer a live zoom training or an onsite training, please select these features on the next page.
